PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

## Harrington Again School Trustee

In an "Off agin, on agin." attitude the first of the week, Palm Beach County's Board of Public Instruction and that board's attorney had the upcoming election next Tuesday all messed up a day or two. Finally, following opinions by the attorney and Registrar Dan Gorham, the school board contacted proper authorities in Tallahassee and came up with what voters hope will be a final conclusion before next Tuesday's voting.

School Trustee Roosevelt Harrington of Canal Point, came through the qualifications with no opposition and two trustees on the east coast drew opposition in the last days before the qualifications closed. In an opinion by the school board attorney Mr. Harrington would have to run county wide and could have been opposed by a candidate on the east coast in a write-in effort. Should this have been successful the Glades would have come out of the deal with no representation on the board of trustees.

The final decision by the school board is that the election will be conducted just as such elections have been conducted for many years. Mr. Harrington will run in the Glades district without opposition. That should clear up the matter to the satisfaction of all concerned.

## Green Lite Given Ramie Mill Road

Giving a green light for Ramie Mill Road in the Everglades was among several actions taken this week by the County Commission.

Commissioner Paul Rardin, Canal Point, asked and won approval of the board, for special help in clearing right-of-way deeds which have been holding up construction of the 2.5 mile road—cost of which is being shared by a group of Glades growers and the county.

In another action, the commission agreed to ask the State Road Department to set start of construction for improvement of Palmetto Park Road in Boca Raton for April 1, 1962. In connection with this same project, the board learned that some right of way problems were still slowing down the project. The commission voted to name appraisers to price the needed right of way for state approval.

The board also approved and forwarded to the State Road Dept., a right of way appraisal for improvement of State Road 804—cost which was listed at \$29,104.

## McCall Child, 5, Dies Following Coma

The five-year-old daughter of the H. B. McCall's in Belle Glade died in a West Palm Beach hospital Thursday (yesterday) morning following an attack of sleeping sickness. She was found in a coma Sunday morning and was rushed to West Palm Beach. Her grandparents are Mr. and Mrs. H. E. Jones of Belle Glade.

## Day By Day In Just One Way--Sugar-- Glades Get Sweeter And Sweeter

Day by day in one way—vid sugar cane—the western section of Palm Beach county known as the Lake Okechobee Farming Region—gets sweeter and sweeter. Day by day more acreage is turned to that delectable sweetener and more millions change hands in the various deals being worked up to convert more muckland to sugar cane.

Well over 5,000 acres of unimproved state lands in the Glades area were leased to Gladeview Sugarland Inc. of Belle Glade Tuesday by the State Cabinet.

The state Board of Education owns 3,202 acres and the Internal Improvement Fund Trustee owns

2,563 acres for the total of 5,765 acres. Both groups met jointly to make the award.

Jack Thorne, Gladeview sales manager, told the IIF board his group will spend a half million dollars during the next three years, providing roads, drainage ditches and structures. All of these, he noted, will revert to the state when the lease expires.

Gladeview's bid edged out a \$6-an-acre offer from another Glades group, Pelican Bay Co-op, which planned to use the land primarily for vegetables.

Principals in Gladeview are stockholders in Lake Shore Grow-

ers Co-op, a vegetable co-op headed by Ray Roth.

The lease calls for at least \$75,000 worth of improvements to be made over the 10-year period, but officials of Gladeview said they plan to spend more than \$500,000 in improvements to the land which will be used for sugar cane and also for raising cattle and growing winter vegetables.

The lease further calls for graduated rentals of \$2 per acre for the first two years; \$4 per acre for the next two years; \$6 per acre for the fifth and sixth years; \$8 per acre for the seventh and eighth years; and \$12.50 acre for the last 2 years.

## 41 FFA Members In Monday Nite Meet

The F. F. A. of Pahokee High School met Monday evening in the Agriculture Building with Bill Johnson, president, presiding over the business session.

Forty-one members were present including twelve "green hands." Among those twelve were, Mike Batista, Herman Clark, James Durrance, Gordon Hand, Wayne Peacock, Wayne Peaden, Joseph Repper, Cecil Rushing, Billy Mac Sheffield and Steve Scott.

Billy Kenney reported on the five acres of sugar cane which the group planted Saturday.

Plans were made to doctor the cattle on Saturday. Joe Repper won a F. F. A. jacket for winning the chalk race.

## 1500 PTA Delegates Meet In Hollywood

More than 1500 delegates are expected to attend the 38th annual convention of the Florida Congress of Parents and Teachers to be held at the Hollywood Beach Hotel, Hollywood, Florida, November 14-15, 1961. The theme of the convention is "The Family Builds Positive Values."

Mrs. Clifford N. Jenkins of Roslyn, Long Island, New York, the president of the National Congress of Parents and Teachers will be present and will deliver the opening session's address on Tuesday evening entitled "The Family Builds."

Mrs. Jenkins was first vice president of the National Congress from 1958 to 1961, chairman of its committee on legislation from 1952 to 1958 and vice president from Region I (New England and New York State) from 1948 to 1951. She was president of the New York State Congress of Parents and Teachers from 1944 to 1947.

Mrs. Howard M. Weenick of St. Petersburg, president of the Florida Congress of Parents and Teachers, will preside at all sessions of the convention.

Mrs. M. P. Stanley, Mrs. Wiley Tillis and Mrs. B. R. Mooley, all of Pahokee, attended the district board meeting of the Womens Club Thursday in Vero Beach.

## Carnival Locally Is A Big Success

Mr. and Mrs. Joe Cherry, chairmen of the Canal Point School and P. T. A. Halloween Carnival reported a net profit of \$350.00 made at the Carnival Tuesday night.

All of the booths showed a nice profit and all were well attended but the "Country Store Booth", sponsored by Mrs. Ruth Stewart and her third grade pupils was outstanding in popularity and profit netting, made possible by the entire community.

## Acreage Limit Is Off Cane For 1962

WASHINGTON — Acreage restrictions will be off sugar cane in the mainland growing areas of Florida and Louisiana in 1962 for the third consecutive time — and probably for the last time.

The Agriculture Department announced Monday there would be no production restrictions but said production is expanding rapidly, especially in Florida.

The department said present estimates indicate that even if new legislation raises marketing quotas for mainland cane sugar, acreage restrictions probably will be necessary for the 1963 crop.

## Vending Machines May Be Ousted From Co. Buildings

The gum, cracker and cigarette vending machines which stand in the halls of many county buildings may have to go, the County Commission learned this week.

An opinion from State Attorney General Richard Ervin said only the Florida Council for the Blind has authority to operate such vending machines in county buildings—and collect the profits.

The opinion was asked by the commission after the Sheriffs office and County Juvenile Dept. asked commission permission to put vending machines into operation.

## Will Find About Certificate Issue

A county delegation is slated for a trip to Tallahassee in the near future to discuss a proposed revenue certificate program to finance road and bridge improvements in Palm Beach County.

The delegation will include a member of the County Commission, J. P. Icard, comptroller and W. C. Goss, financial advisor, who will meet with representatives of the Development Commission to map final details of the issue.

County Commission Chairman Ben Sundry was authorized this week to name the committee.

In another action, the board approved retaining Ford Thompson, Tallahassee attorney to help handle the county's legal affairs in connection with the issue.

## Pesticide Study Planned Locally

The County Agricultural Department has been notified by John A. Mulrennan, Director, Bureau of Entomology, State Board of Health, that a series of meetings will be held by the Florida State Board of Health on highly toxic pesticides.

Hearings will be definitely on regulations governing the sale and use of highly toxic pesticides by Governmental, Research, Agricultural and Related Users and other users.

Meetings in Palm Beach County will be held in West Palm Beach and Canal Point. The West Palm Beach meeting will be held at 9:00 a. m. to 1:00 p. m. on November 7, 1961.

The Canal Point meeting will be held at the Community Building, November 7, 1961, from 2:00 p. m. to 5:00 p. m.

It is understood that these meetings are open to the public and any individual interested in a full understanding of the regulations on highly toxic pesticides should be present as the regulations will be fully and thoroughly explained.

Mrs. Don Kepp of Canal Point, Mrs. Sadie Barwick and Mrs. Rupert Mock spent Thursday with their father, J. C. Cochran, at the Largent Hospital in Naranja.

## Blue Devils Play Okeechobee There

Pahokee Blue Devils, boasting a six to one record for the season will journey to Okeechobee tonight for battle with the Okeechobee Brahmas. Five of the wins by the Blue Devils were in Conference play with the other win outside the loop.

Last Friday night the Devils hosted the Stuart eleven on the Pahokee field and trounced their ancient rival by a score of 19 to 0.

Harold Peacock passed to Jim Vandegrift for two scores. The first covered 70 yards in the second period, and the second was good for 25 yards and a late fourth period TD. Peacock scored the other TD early in the fourth period when he gathered in a punt and scampered back 43 yards.

Stuart drove to the Devil eight in the first quarter, but Pahokee held. Halfback Pete Valentino was the "Tigers" leading threat in the drive.

John Russom ran for one conversion, but was stopped on a second attempt, and Stuart also stopped Skipper Peacock on his similar attempt.

The game was the first in 13 in which Pahokee End Jim Suggs did not catch at least one pass. He had two chances but missed.

Pahokee's chief ground gainers were Russom with 75 yards and Harold Peacock with 57.

## Woman's Club Has Fanjul As Speaker

R. E. Fanjul, of Pahokee, was the guest speaker Wednesday at the Pahokee Womens Club luncheon and program meeting. The subject he chose was "The Communist Next Door." One of the most important things he stressed in his talk was "The one thing the iron curtain can't keep out is the truth."

Mrs. M. P. Stanley, the club program chairman, introduced Mrs. Fanjul, the program chairman for this meeting, who in turn introduced her husband.

Mrs. B. R. Mosley, president was in charge of the business. It was voted for the club to co-sponsor with the Pahokee Garden Club in their Christmas decoration project, and have the decorations display in the Womens Club building in early December. Mrs. C. B. Stringari, chairman with Mrs. M. P. Stanley and Mrs. Lewis Friend of this project.

Guests included Mrs. Helen Schroder, Mrs. Ralph Johnson, Mrs. Theo Adams, Mrs. Joe Thompson, Mrs. Norman Kennedy, Mrs. Altmann, Mrs. Morgan, Mrs. Curtis Chase, Mrs. L. L. Shirley, Mrs. Jess Elliott and her mother, Mrs. Emma Wheeler, also Mr. P. Stanley, Glenn Powell, and Manning Keen.

## FAMILY DINNER

Mr. and Mrs. Joe Hatton, Sr., Mr. and Mrs. John Hatton, Mr. and Mrs. Joe Hatton, Jr., Dr. and Mrs. Lester Hatton, Mr. and Mrs. K. L. Zaccagnino and Miss Dorothy Hatton along with Lt. and Mrs. Bill Hatton enjoyed a family dinner Saturday evening.

## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission this week decided to hold up a proposed plan for establishing precinct boundaries in an effort to make fire control district boundaries conform to precinct lines.

The delay was pushed by Commissioner Edward Bandlow who said fire control boundaries should be tentatively plotted at this time in order to assure that referendum elections for fire control in the outlying areas could be held.

The commission, must, by the first of the year, establish precinct boundaries according to law.

County Engineer Steve Middleton said, there are several plans under study, the county precincts will likely jump from a present 47 to the neighborhood of 100. The precinct revision will also call for additional voting machines, he said.

In other actions this week the commission:

Received a request from the Palm Beach County Shrine Club asking to purchase county lands adjacent to the club for parking purposes.

Approved calling for bids for some \$21,000 in improvements at the two County Childrens Home.

Received a bid from the Overland Construction Company for \$21,188 to remodel the county stockade.

Approved a base operators lease at Lantana airport for Floridian Aviation, Inc., as a successor to Palm Beach Aviation, Inc., which has moved to International Airport.

Received bids for county injury and liability insurance, the apparent low bidder the Atlantic Insurance Agency, Inc., at a quote of \$12,801.23.

## James Nemec Is Asking Reelection School Trustee

James Nemec, in announcing his candidacy for School Board Trustee, District No. 1 of Palm Beach County, a non-paying job, stated that he was running to succeed himself at the request of many individuals, and a sincere desire to do his best for the betterment of our school system.

James Nemec, Chicago born, has been a resident of the State of Florida for over thirty years and is married to the former Ruth Bartlett, daughter of Reverend William Q. Bartlett. Mrs. Nemec was born, raised, educated and grew up in Palm Beach County. They are the parents of seven children, six of whom are now attending the public schools in Palm Beach County.

Mr. Nemec states that he is pleased with the present achievements of the Palm Beach County School Board and the Trustees, in that among other things, during his past terms over \$25 million dollars have been used in the construction of buildings, both for Negro and for white schools.

Mr. Nemec states also that he is proud of the excellent standard of our teachers and principals and admires their dedication to their all-important task of educating the youth of Palm Beach County.

"During my term, we have had pleasant relations in the County among teachers, principals, School Board and Trustees. These good relations were due in part to the diligence of the Teachers Board of Trustees and the School Board," Mr. Nemec said.

"In this changing world, our children should be kept constantly aware of world problems and a practical approach thereto," he said, "I feel that it is for the best interest of the school system of Palm Beach County that the Trustees as now elected be retained in office, as they are familiar with what has gone on in the past and are, therefore, better able to cope

with not only local but state, national and world problems that may arise in the future."

"We have many, many fine educators in our school system and, in addition to their skills, it is always for the best interest of the community that men with other backgrounds and experience in different fields of endeavor be members of the team." Mr. Nemec further stated, "The Educational System needs someone of business experience combined with legal training to blend with the thinking of those in the school system who are prepared primarily in the education field. A system should never become too specialized in one field, but needs the views and expressions of other fields, both business and otherwise."

He is a past Vice-President of the Florida State Junior Chamber of Commerce as well as past President of the West Palm Beach Junior Chamber of Commerce. He is a member of the Palm Beach County Bar Association and a former Secretary-Treasurer of the Association; a member of the American Bar Association since 1936. He is a former member of the Board of Directors of Gulfstream Boy Scout

Council, Chairman of Palm Beach Aluminum Scrap Drive, original and first Chairman of American Cancer Society; an original and first Chairman of Palm Beach County Heart Association; member of Palm Beach Resources Development Board. He is a member of the American Legion; Veterans of Foreign Wars. Also, a member of 40 and 8; formerly a member of United States American Legion Committee for Housing; former President of the Reserve Officers Association of the State of Florida and President of Stetson University Alumni Association; member of Kiwanis; author of pamphlet, "Power of the United States" and was listed in "Who's Who in the South and Southwest", 1954 through 1961. He is also Assistant Sunday School Department Superintendent in his Church.

Mr. Nemec is a Commander, U. S. Navy Reserve; participated in the American Theatre, Asiatic-Pacific Theatre and European Theatre. He received a special commendation from Admiral Randall Jacobs and presently holds the rank of Commander, U. S. Navy Reserve.

He attended Stetson University where he completed and received two degrees—one in Business Administration and one in Law. While attending Stetson University, Mr. Nemec acted as Head Freshman Football Coach and made Honorable Mention on all S. I. A. A. (Southern Intercollegiate Athletic Association).

"I not only believe in American principles," he said, "but I believe in securing these principles for our youth, that they may live and grow under the ideals established by the sacrifices that our forefathers made so we might live in freedom under God."

"For these reasons, and also because I have always given freely of my time to the promotion and advancement of the educational program in Palm Beach County, I feel that I am qualified for and look forward to the support of the fine citizens of this County."

## WEEK OF PRAYER

The members of the Canal Point Methodist Womens Society of Christian Services met Tuesday evening in the Church Sanctuary and completed their week of Prayer and Self-Denial Services.

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{4}\%$  for the first year and a half, then a guaranteed  $4\%$  each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{4}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $\frac{1}{4}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

**YOU SAVE MORE THAN MONEY WITH  
U. S. SAVINGS BONDS**

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this publication for their patriotic donation.

The Womens Club of Pahokee will meet Wednesday, Nov. 8 for their regular luncheon and program meeting.

"Home Making Party" will be the theme of the program, with Mrs. Katherine Latham assisted by Mrs. Lottie Pierce, both home economists of Florida Power and Light Co. in charge of the program.

All members are urged to attend this meeting. Call Pahokee 4021 before Monday night for reservations, all cancellations by Tuesday noon.

### EASTERN STAR MEETING

Mr. and Mrs. J. H. Strayer of Canal Point accompanied by their son-in-law, Don McKinnon of Miami, returned Thursday from Macomb, Ga. They were called to Georgia, early in the week by the death of her aunt, Mrs. George M. (Stella Scott) Warfield of that city. She died Monday of a lengthy illness in a nursing home.

Funeral services were held Wednesday in Lyons, Ga. Mrs. Warfield was a former resident of Canal Point before and after her marriage. Later they moved to Tampa and last year she and her husband moved to Macon.

*"Today we need a nation of Minute Men . . . .  
citizens who regard the preservation of freedom  
as a basic purpose of their daily life . . . ."*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration  
as the 35th President of the  
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unremitting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

**BUY U.S. SAVINGS BONDS**

For 20 years America's newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Dept. is grateful to The Advertising Council and this newspaper for their patriotic support.

## Christian Science Group Of Canal Point

Today's need for spiritual discernment will be emphasized Sunday at Christian Science church services.

Scriptural readings in the Lesson-Sermon entitled "Adam and Fallen Man" will include these words of St. Paul (I Cor. 2).

"Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God. Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned."

This citation will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 203): "Spiritual perception brings out the possibilities of being, destroys reliance on aught but God, and so makes man the image of his Maker in deed and in truth."

## Eastern Star In Thursday Meeting

The Pahokee Order of Eastern Star, Chapter 184 met last Thursday evening in the Masonic Hall, with Worthy Matron, Ruth Meredith, and Worthy Patron, D. P. Hughes, presiding.

Announcement was made of the Grand Chapter to be held Nov. 9-12 on Miami Beach. The following have made plans to attend: Ruth Meredith, Ruth Carpenter, Doretha Denton, Jenny McKinstry, Florrie Nix, and Jessie Barnes.

## Colvard To Teach Mission Study Book

Rev. G. W. Colvard, pastor of the First Baptist Church of Pahokee, will teach the Mission Study Book, "Hands Across the Sea" by H. Cornell Goerner, on Monday, 7:00 p. m., in the Church Chapel. All the members are urged to attend this service.

This book deals with Protestant reformation beginning with the close of the First World War and coming up to the present time.

## Baptist Missions Will Be Featured In Orlando Meet

Missions in Southeast Asia will be featured on the program of the Florida Baptist Convention meeting at the First Baptist Church, Orlando, November 14-16, according to Dr. Henry Allen Parker, convention program chairman and host church pastor.

Dr. Winston Crawley, Secretary for the Orient, of the Foreign Mission Board of the Southern Baptist Convention, will speak on foreign missions with particular emphasis to Southeast Asia. Crawley will bring greetings from the 1543 Southern Baptist foreign missionaries in 47 foreign countries. These missionaries are supported through the convention's Cooperative Program.

Each session will be preceded by a Bible message by Dr. W. W. Adams, professor at the Southern Baptist Theological Seminary, Louisville, Kentucky.

Other out-of-state speakers appearing on the program include C. E. Autrey, Atlanta, Georgia, Floyd E. Chaffin, Dallas, Texas, T. Guy Sloane, Jr., New Orleans, Louisiana, Charles Howard, Buies Creek, North Carolina, Howard E. Kershner, New York, New York, Albert McClellan, Nashville, Tenn., and Ralph Phelps, Arkadelphia, Arkansas.

Baptists will be challenged to start 250 new churches and missions in Florida during 1962 by Dr. John Maguire, executive secretary of the Florida Baptist Convention, and chairman of Florida's Thirty Thousand Committee.

## Parsonage At Canal Point Is Dedicated

The Consecration Services were held Sunday from 3-4 p. m. in the Canal Point Methodist Parsonage with the local Womens Society of Christian Service in charge of arrangements.

Rev. Robert Shelley, pastor presided over the services, assisted by Rev. T. C. O'Steen, pastor of the First Methodist Church of Pahokee and Rev. Charles D. Stewart pastor of the Canal Point Baptist Church.

Approximately 75 guests called during the evening including both visiting pastors and their wives.

## Tuesday Meeting For WSCS Group

The Canal Point Methodist Womens Society of Christian Service will hold its regular meeting Tuesday, Nov. 7, at 8 p. m. at the home of Mr. and Mrs. Glenn Powell, with Mrs. Powell as hostess.

Mrs. Robert Shelley, Program Chairman, is in charge of the program, theme, "Jesus Christ Light of the World."

## WSCS Supper Enjoyed By 27 Youths

Mrs. L. L. Maxson, Mrs. Robert Shelley, Mrs. Osceola Upthegrove and Mrs. W. E. Blackwell, members of the Methodist W. S. C. S., were hostesses at a Progressive Supper Monday evening for the Methodist Intermediate Fellowship group.

Following the meal the young people enjoyed a scavenger hunt, in which twenty-seven young people were present.

## UNICEF Drive Nets \$81 For Needy Kids

The Canal Point Methodist Youth Fellowship Senior class members collected \$81.00 in their annual UNICEF Drive Monday evening under the leadership of Rev. Robert Shelley, pastor and W. E. Johnson, M. Y. F. Leader.

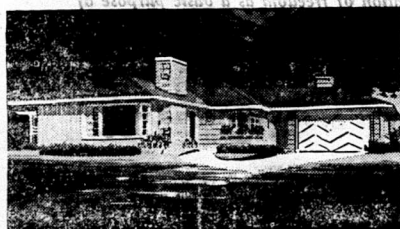

UNICEF means United Nations Children Funds and it provides supplies needed to control and eradicate diseases, improve nutrition and equip child health centers.

## Mike Elliott Has Birthday Party

Mr. and Mrs. Jess Elliott, were hostesses at a wiener roast birthday party Saturday at 4:30 to 6:00 in the city park. The occasion was in honor of their son, Mike, on his eleventh birthday anniversary, with his classmates of the fifth grade as guests.

Games were enjoyed by the group with special prizes awarded the winners, following the games and the wiener roast. Mrs. Emma Wheeler, Mike's grandmother, and Mrs. Sarah Thomas, his teacher, assisted his parents in serving the traditional birthday cake to the young people.

## Lawrence Myers School Trustee, Asks Reelection

Lawrence J. Myers, of Lake Worth, present school trustee representing that area, this week announces his candidacy for re-election on next Tuesday, Nov. 7. The vote is county-wide and his announcement follows:

I am running to succeed myself at the request of many individuals and with a sincere interest in doing my best for the betterment of our school system.

Having served eleven years as school trustee, I believe my experience will be most helpful to our county in the problems facing the system in the next two years. This is no time to experiment.

The Board of Trustees is a constitutionally constituted body and is charged with responsibility of recommending teaching personnel, millage, selection of sites and acting as the lay representatives between the citizens, parents and schools.

I have been a resident of Lake Worth since 1940 and reside at 112 Yale Drive, Lake Worth, Florida. I am the owner of the Lawrence W. Myers Insurance Agency, 803 Lake Avenue, Lake Worth. I am married to Frances Myers who was a teacher in the public school system in Iowa. For the past 17 years, she has been a Sunday School Teacher at the First Congregational Church, Lake Worth. My daughter, Mrs. Richard M. Johnston, is a 6th grade teacher at Highlands School, Lake Worth.

I am the past president of the Lake Worth Chamber of Commerce, and of the Rotary Club. I have been Moderator of the State of Florida's Congregational Christian Churches, President of that body's Board of Directors; Institutional Representative of the Boy Scouts of America; Treasurer of the Lake Worth High School Parent-Teacher Association; Past Chairman of Board of Trustees, Diocese and Building Fund of First Congregational Church in Lake Worth; Member of Palm Beach County University Site Committee.

Currently, I am director of the First National Bank in Lake Worth; Director of First Federal Savings and Loan Association of Lake Worth; member of the advisory Board of the Salvation Army; member of the Lake Worth Insurance Agents Association and the Florida Insurance Agents Association, the Chamber of Commerce, Rotary Club, Gulf Stream Masonic Lodge and the Palm Beach County Resources Development Board; member of Laymen's Fellowship at First Congregational Church, United Church of Christ, Lake Worth.

I believe in continuing to strengthen the quality of our teachers, the extension of our Vocational programs, and the extension of our program for exceptional children. My colleagues, A. R. Harrington of Canal Point and James Nemec of West Palm Beach, have worked diligently to do a good job at a payless task. I believe the evidence of over 1800 experienced teachers in our system, plus over \$25 million in new classrooms, along with increased salary schedule—one of the highest in Florida—will indicate we have worked well with the Board of Public Instruction and County Superintendent.

The Citizens of Palm Beach County are justly proud of their schools and school system. A strong educational program is the bulwark to our American Way of Life. I urge you to show your continued interest by a large turn out on November 7, 1961.

### IN THE HOSPITAL

Patients remaining in the hospital November 1: Ethel Johnson, Donna Gillis, Amolina Calvin, Douglas Gillis, Lester Holmes, Harry White, Ben Hatfield, Claudia Herrera, and Billie Marie Church all of Pahokee; Iva Hendrickson, Moore Haven; and Virginia Maxey, Belle Glade.

At this time I don't believe anyone can estimate with any degree of accuracy the full effects on Florida agriculture of the state's recent development in space and missile projects.

If we view these projects as part of the overall industrial expansion Florida is experiencing, one thing seems to be certain: Our traditional areas of agricultural production are going to undergo some more radical changes, and more new areas will be developed. Many of these have been considered submarginal in the past.

This kind of shifting already is underway in some parts of the state. The tempo will increase during the present decade.

As land values soar and taxes rise in areas adjacent to heavy population growth, our ranchers and growers find it no longer profitable to continue operations on acres they have been using.

Material changes already have taken place in Brevard county which includes Cape Canaveral and the new NOVA "moon flight" site. According to latest census figures, Brevard lost 245 farms, declining from 1,017 to 772, in the five years following 1954. In the same period the county's total of farm acres declined 192,970, dropping from 127,427 to 284,457.

For the state as a whole, the number of farms was down 12,445, from 57,543 in 1954 to 45,098 in 1959. The state's acreage in farms dropped from 18,161,675 to 15,305,716.

Those figures now are two years old. Many more changes can happen in two years—and they probably have. However, there are indications that our total agricultural output is increasing and will continue to gain in spite of the inroads being made on agricultural lands by new highways, industrial developments and new residential and service projects.

Who can say whether our space projects in Florida are "permanent?" I'd guess they are as permanent as anything can be in this rapidly changing world. But I'm confident that Florida agriculture is permanent. In our state and our nation we shall always have agriculture because it is basic to our economy—as necessary today as it was when our country was in its infancy.

For this decade of the Sixties, at least, I see no prospect that our industrial expansion or our rapid population growth will prevent us from increasing our agricultural output. We'll be producing more, but we'll be doing it on fewer acres and in many new locations. Research and new developments are constantly improving our production techniques.

Even if our expectations of population growth are realized, soaring from our present 5 million to more than 8 million in 1970, I believe we'll see Florida agriculture keeping pace with the march of progress.

Of more immediate concern to agriculture at this time, I think, is whether we shall have available in the state sufficient labor to harvest the large crops which are indicated for the 1961-62 season.

Increases are forecast in our citrus, vegetable and sugar crops—30,000 more acres of vegetables, 75,000 new acres of sugar cane and possibly 12 million more boxes of citrus.

Peak demand for agricultural labor this winter is put at 110,000 farm workers including 40,000 migrant laborers, 60,000 local workers and 10,000 workers from the islands of the Caribbean. It is in the latter category where a shortage may show up because the U. S. Department of Labor has certified only

8,400 Caribbean workers for Florida this winter.

However, it is possible supplies of local workers in agriculture could be affected by huge new industrial projects that would lure them from their traditional jobs in field or grove.

Every effort is being made to induce Federal authorities to assure us we shall have sufficient imported labor for our needs. Crops that are ready for harvest cannot wait. They must be harvested then or be lost. Our farmers have enough problems to overcome without having a labor shortage facing them. I sincerely hope we shall be successful in avoiding such a threat.

Mr. and Mrs. Herbert Alvin Miller announce the arrival of a son Thomas Lee Miller, born October 25 in the Everglades Memorial Hospital, Pahokee.

Debbie Jane Rogers, is the name given to the little daughter born Oct. 26, to Mr. and Mrs. Curtis Samuel Rogers, in the Everglades Memorial Hospital.

## Seeking Coast Acre For Cane Experiments

The Everglades sugar cane boom has sent agronomists in search of experimental land on the county's east coast.

The County Commission this week approved a request from the U. S. Dept. of Agriculture for an acre of coastal land to be leased for experimental growing and cross pollination of sugar cane.

## O'Steens Plan To Entertain Pastors

Rev. and Mrs. T. C. O'Steen will be hostess at a social at their home Tuesday, Nov. 7 at 5 to 7 p. m. in honor of the Pahokee and Canal Point Ministerial Association.

The pastors and their families will be entertained at the O'Steen home, 462 East Main Street in Pahokee with a steak broiling dinner.

## MAYOR LANE BRINGS CONVENTION TO TAMPA

TAMPA — Mayor Julian Lane proved his qualifications as a convention promoter last weekend when he successfully bid for the 1963 convention of the Florida League of Municipalities.

Lane issued the invitation at the group's 1961 meeting in Jacksonville and won unanimous approval for Tampa.

Nearly 1,000 city, county and state officials will attend the meeting here Oct. 27-29.

Gordon T. Butler, executive secretary of the group announced today that the League's executive committee has accepted the Mayor's invitation.

## Rev. Oliver Hatfield Has Heart Attack

Rev. Oliver Hatfield, retired Methodist minister, suffered a heart attack Tuesday night and is in Everglades Memorial hospital. His condition is considered serious and he was under oxygen Thursday.

## DRIVERS LICENSE

Beginning Nov. 1, persons with a birth date during the month of November may renew their driver licenses.

Persons born on an even-numbered year, such as two, four, etc., will have the license renewed for one year. Persons born during an odd year will have their licenses renewed for two years.

## GENERAL WSO'S MEETING

General meeting of the Women's Society of Christian Service of the First Methodist Church of Pahokee, will be held Monday, Nov. 6 at 8 p. m. in the church sanctuary. The Mabel Simonson Circle will be in charge of the program.

## Jimmy Vann Is Local Lions Speaker

Jimmy Vann, Lions Club member of the Pahokee Club, was the guest speaker at the local Lions Club meeting Monday evening. He talked on the importance of the Constitution and the club by laws. He was introduced by O. H. Sheppard.

J. G. Weeks, President, presided over the business and plans were completed on the Thanksgiving Turkey Shoot Project.

Brooks Henderson, President of the Pahokee Club along with several other members, were visitors at which time they made numerous sales on their Light Bulb Project.

## GRAPEFRUIT TO JAPAN

TAMPA—What is believed to be Florida's first direct fresh grapefruit export to Japan has been confirmed by John T. Lesley, general manager of the Florida Citrus Exchange.

Howard N. Baron, manager of the Exchange's International Division, said the shipment to Japan culminates more than a year's effort to place Florida grapefruit in the hands of Japanese consumers.

## Disneyland Park Planned For Tampa

TAMPA—Details of a major tourist attraction to be built in Tampa were unveiled before Tampa's civic leaders recently. "Circusland," a Disneyland type of theme park, will be constructed on 65 acres of fill land adjacent to the Howard Frankland Bridge-Interstate 4 terminus.

The attraction will include a "county seat town of the 1920's", a shopping center, circus arena and rides, a waterfront area, jungle tour and elephant safari and a proposed beach.

Maurice Marshall, president of Florida Entertainment Enterprises, Inc., explained the plans for development of the project which will cost at least \$5 million. The attraction is expected to bring an estimated two and one quarter million visitors to Tampa in its first two years; 400,000 a month or from 3,000 to 12,000 a day.

## QUARTERLY CONFERENCE

First Methodist Church of Pahokee will hold quarterly conference in the church chapel Nov. 6, at 7:45 p. m.

## UNDERGOES SURGERY

Oscar H. Chastain of Thomasville, former resident of Canal Point, underwent surgery, Wednesday in Archibald Memorial Hospital. According to word received in Canal Point last night, he is doing well as can be expected.

Miss Myra Lee Cruthirds, former Pahokee resident, now of Stuart, was among the many out-of-town friends here Friday evening to attend the Stuart and Pahokee football game.

## Industry Growing In State Of Florida

TALLAHASSEE — Otto Bruce, industrial services director of the Florida Development Commission says four major factors have been combined to push Florida along as an industrial state.

Bruce, a former Jacksonville banker, has been carrying on a seven-month campaign to make Floridians industry minded.

First factor in the do-it-yourself industrial push was the formation of the Florida Industrial Development Corp. to provide up to \$10 million in risk capital for new and expanding industry unable to obtain conventional financing.

Second was the designation of seven Northwest Florida counties by the U. S. Dept. of Commerce as eligible for area development loans. Next came an awakening of interest by areas in industrial development.

Last step in the campaign was the Nova moonshot program which will have a statewide affect in stimulating industrial activity.

## CARD OF THANKS

I am grateful to friends and neighbors who have been so kind and thoughtful of me during my stay in the St. Marys Hospital and during my confinement in the Laryng Hospital in Naranja.

Your visits, flowers, messages, prayers, and daily cards are appreciated more than you will ever know.

JOHN E. COCHRAN

## BUILDING FOR SALE

The county commission voted this week to offer for sale a building on Park street in West Palm Beach, which formerly served as a voting machine warehouse. Minimum bid being asked for the property is \$42,500 a sum set by appraisers.

## MYF PARTY

The members of the Canal Point Methodist M. Y. F. were entertained Sunday evening following Church Services at the home of Miss Helen Sheppard. Mr. and Mrs. O. H. Sheppard assisted their daughter in serving refreshments.

## Do You Know?

THE TAXES PAID DIRECTLY BY FLORIDA'S VISITORS LAST YEAR APPROXIMATED \$80,000,000! THIS IS ABOUT 13.6% OF THE TOTAL TAXES COLLECTED BY THE STATE AND WAS ENOUGH TO BUILD 14 NEW SCHOOLS, 53 NEW HOSPITALS AND 800 MILES OF NEW ROADS!
